I. Campus Services

1. Venue Reservation

If your event requires an on-campus venue, please reserve the space using your organization's CampusGroups page.

2. Facilities Management

The TFC expects students to substitute Facilities labor whenever possible. If you need services from Facilities, you will also request that via CampusGroups when entering "Set-up Notes".

3. Audio/Visual

Audio Visual Services provides many audio/visual needs at no cost. Request AV support and equipment via CampusGroups. The TFC may cover expenses for services not provided by AV if they are clearly justified for an event.

4. Poster Design

The TFC may fund appropriate advertising for campus events. If you would like to have a poster or table tent designed for your event for free, you can contact the BSG Poster Designer through the Assistant Director of Student Activities with details about the design elements, information, or format you would like to use.

5. Copy Center & Printing Costs

All printing must be done at the Copy Center (located in Smith Union); personal printing credits should never be used for club purposes. In order to have your items printed, you can place an online Copy Center Order form or submit a written one. If you are printing a table tent, be sure to have it approved with Dining (Mark Dickey, mdickey@bowdoin.edu, for Thorne and Susanne D'Angelo-Cooley, sdangelo@bowdoin.edu for Moulton) and denote to the Copy Center that you need it folded.

The TFC may fund the printing costs of advertisement posters, awareness campaign posters, scripts, performance/show brochures, and other materials essential for activities directly related to a club's mission.

Pricing for the Copy Center, regardless of the paper stock, is as follows:

Black and White (Letter/Legal) Black and White (11x17)

\$.02/copy Color (Letter/Legal) \$.15/copy \$.04/copy Color (11x17) \$.20/copy

\$5 for 25 11x17 posters for advertising an event

\$3 for 15 11x17 posters for general advertising a club/first meeting.

\$30 for large-size posters (42x56) for advertising a series of events a week or longer

\$24 for printing awareness campaign posters

\$0.02 per seat for printing pamphlets/brochures for shows and performances

\$18 for a 32x32 poster (last square area on the green wall in Smith Union)

6. Academic/Career Services

The TFC will not fund items/services that are already provided to the campus community through academic departments, the CXD, the Library, etc.

II. Guest Speakers

*If you expect your event to cost more than \$1,000, please submit your budget request form and contact Student Activities to fill out a contract negotiation form **at least 4 weeks** before the proposed date of the event.*

1. Honorariums

Each club may request a limited number of speakers per semester based on expected community impact, size of the club, price of the speaker, etc. Clubs should seek to limit their spending on speaker fees to \$3,000 per year. The TFC reserves the right to grant exceptions based on extenuating circumstances. Proposals for a speaker must include background information and adequate justification for bringing them to campus. The TFC encourages you to seek connections through faculty.

Groups must enter into negotiations with speakers to minimize the cost of honorariums before submitting a budget to the TFC, however, no verbal or finalized contracts can be made before consulting both the TFC and Student Activities. The TFC expects a good faith effort on the part of club leaders to negotiate the price of a speaker. If the speaker costs more than \$1,000, contact Student Activities at least 4 weeks in advance of the proposed event date to begin negotiating a contract. If your intended speaker is expensive, you should begin planning months in advance in order to take advantage of outside funding sources, such as the Lectures and Concerts Committee.

If the speaker is an employee of the College, the TFC will fund a \$50 gift instead of an honorarium.

The TFC will fund virtual speakers up to \$1000 per year.

The TFC will only fund a \$500 honorarium for an academic visiting from another institution, who is considered an expert in their field.

In-person up to \$3000 per year, \$500 for academic visiting speaker

2. Travel

Although the TFC may cover transportation costs, please encourage speakers to be as cost-efficient with their mode of transportation as possible. Please note that the TFC will only fund economy class flights, and requires students to book travel via flights **a month in advance**. The TFC will only upgrade a seat under special circumstances. Tickets must be purchased under the supervision of a Student Activities staff member once funding has been approved by the TFC. Speakers traveling by car are only eligible for a mileage (not gas) reimbursement.

\$0.25 per mile

3. Guest Lodging

The TFC may fund lodging for official visitors to campus. To arrange lodging, please contact Administrative Assistant Karla Nerdahl (knerdahl@bowdoin.edu) in the Student Activities Office, as the office receives a discount for most local hotels. If this form of lodging is

inappropriate for a guest, an organization may request a room in the President's House but should be prepared to justify its request to the TFC.

Guest lodging costs \$119/night at the Brunswick Hotel when booked through Student Activities.*

**Prices vary based on season: from August – November 1: \$189/night and from November 1 – May 20: \$139/night.*

4. Guest Meals

The TFC may fund meals for guests. Student groups should attempt to take speakers to the dining hall.

\$6.00 for breakfast; \$8.75 for lunch; \$11 for dinner

III. Events

*If you expect your event to cost more than \$1,000.00, please contact Student Activities **at least 6 weeks** before the proposed date of the event to fill out a contract negotiation form. Off-campus venues must be justified as providing services otherwise unavailable on campus.*

1. Performance Production Costs

Costs of staging and production may be funded by the TFC only if the services are well justified for your event, and the production is relevant to the club mission.

2. Event Supplies

The TFC may fund up to \$100 for event supplies integral to the function and purpose of an event. If the event is estimated to have greater than 100 Bowdoin student attendees, then the TFC can choose to allocate greater funding for event supplies **at its discretion**. Any supply funding for club-only events will come out of a club's club bonding funds.

3. Rights for Club Productions

Production rights will only be funded after the club has confirmed space on campus at a time that does not conflict with other events. Refundable fees are expected to be returned to the TFC, if the equipment is damaged or lost, the TFC will require the refundable amount from the responsible club member(s).

4. Concerts and Performers

A request for concert or performer (including musicians, comedians, actors, etc.) funding must provide background information about the performer and must be relevant to the club's mission.

For assistance in organizing this information, please consult the Student Activities staff. Contact the E-Board and WBOR for co-sponsorships. The TFC will not fund student performers.

The TFC encourages collaboration with other funding sources: College Houses, academic departments, Office of Multicultural Life, Office of Religious & Spiritual Life, SWAG Center, Lectures & Concerts Committee, etc.

Typically between \$500 and \$1,500

5. DJ Policy

The TFC may fund DJs up to \$600 per year per club. Club leaders are encouraged to negotiate with the performers to accommodate this cap. Exceptions may be made for annual and traditional events, and, as always, the TFC may exercise discretion in this allocation.

Certificates of Insurance for bands, DJs, etc. are required to perform on campus. These policies need to list Bowdoin as additionally insured for \$1,000,000. Most performers may already have a policy, but if your club comes across one that doesn't, you can purchase a day policy. Policies can range from \$200 - \$1,000 depending on the size of the event.

6. Decorations

The TFC may fund up to \$75 for decorations for an event space at the TFC's discretion. If the event is estimated to have greater than 75 Bowdoin student attendees, then the TFC can choose to fund more decorations at its discretion. Decorations must have a connection to the event.

7. Films

Check with Student Activities whether the film can be uploaded to Polarflix. Otherwise, groups must obtain a public viewing license for all films shown on campus. The TFC may fully fund this expense, but be sure to contact the leader(s) of the Bowdoin Film Society to receive assistance in acquiring the best rates. The TFC will only fund screening rights when the film is sufficiently connected to a club's mission.

8. Tickets

Clubs may require tickets for entrance to an event, with the tickets made available at the Smith Union Info Desk in advance. However, clubs cannot charge for tickets for Bowdoin students. If clubs charge for tickets for non-Bowdoin students, the funds raised will be returned to the TFC.

Clubs may charge for an event if fundraising for a cause relevant to the club's mission. Prior approval from the Director of Student Activities, Nate Hintze, is required.

IV. Food

If your organization is using Dining Services to cater an event, you must meet with Dining prior to submitting a budget request through TFC. Use the Dining Student Catering Guide for additional information. A comprehensive breakdown of all Dining costs must be provided.

1. Semester Meeting Snacks

The TFC may fund \$50.00 of snacks for general or special club meeting purposes per semester.

If a club has more than 40 active members, they can request a snack budget of \$100, twice a year. At any time a club can ask the TFC how much is left in their snack budget.

2. Meals During Travel

Student groups may transfer board to receive a boxed meal or a meal subsidy from Dining Services while traveling. The TFC will provide a Board Transfer Request form that must be submitted to Dining Services at least one week in advance of the date(s). The TFC will supplement board transfers by \$4.75 per person for each Bowdoin meal missed. If student groups will be gone all day on Saturday and/or Sunday for away competing conferences, the TFC will grant a lump sum amount of \$30 per day to supplement board transfers.

Breakfast: \$7.35 per person per meal (including board transfers)

Brunch/Lunch: \$8.25 per person per meal (including board transfers)

Dinner: \$8.50 per person per meal (including board transfers)

3. Board Transfers (Meal Subsidies)

Board transfers can occur up to twice per year unless Stephanie LeMieux (slemieux@bowdoin.edu) gives a club special permission. The TFC will provide a [Board Transfer Request form](#). After meeting with the TFC, all participating students' ID numbers will be required at least one week before the event for the Board Transfer to be approved by Alison Cyr.

\$2.60 for breakfast, \$3.50 for lunch/brunch, and \$3.95 for dinner

4. Meals with Campus Guests

The TFC may fund an on-campus meal in Thorne with a campus guest, plus faculty if appropriate. For meals purchased under a club's project code, the rates are as follows.

\$8.75 for Lunch and \$11.00 for Dinner

5. Banquets

For non-competitive clubs that do not travel off-campus overnight, the TFC may fund one Banquet or one Retreat per academic year. For Overnight Retreats, see Section VI. 2. A banquet is defined as a meal only for club members, not necessarily related to the club mission. The TFC may fund one banquet per club per year. For this banquet, the TFC will supplement board transfers up to \$8.00 per person. The TFC reserves the right not to fund a banquet, prioritizing clubs that have been active during the year. Clubs are required to discuss their event with the Student Activities Office prior to requesting funds so they can figure out the most cost-efficient options.

6. Kickoff Events

Kickoff events are events geared towards encouraging new students to interact with and join clubs early in the year. Kickoff events must occur before fall break and the budget must be submitted in the spring. Only non-competitive clubs with greater than 175 members can request funding for a Kickoff event. New clubs formed during the academic year have two months to request for a kickoff event. If the kickoff event costs more than \$1500, then the remaining cost will come out of the student group's club bonding budget.

\$1500 for kickoff events

7. First Meetings & Recruitment Events

Clubs hosting a first meeting or recruitment event at the start of the academic year to attract new club members and promote their mission may request funds for food.

\$50 for recruitment event food

8. Event Food

For events where food is auxiliary to the central purpose of the event (i.e. a lecture), then funding for food will be determined at the discretion of the TFC. The number of people attending the event should be considered when determining auxiliary food costs. If a club collaborates with a College House, the College House should pay for event food. Bowdoin Logs cannot be ordered as food auxiliary to an event. Exceptions may be made for annual and traditional events, and, as always, the TFC may exercise discretion in this allocation. The TFC reserves the right to define whether or not your food request is necessary for your event

Campus Wide Events: up to \$200

Special Events (Family Weekend, Homecoming, etc.): up to \$300

V. Travel

1. Vehicle Travel

The TFC expects student organizations to use the most cost-efficient form of travel. The TFC will fund vehicle travel (mileage and tolls) in either of the two formats below; personal vehicles will only be funded in extreme circumstances. Clubs that travel often should make every effort to have their members van certified by Facilities. The TFC does not fund Zipcars, road trips over 500 miles from Bowdoin, or road trips outside the United States.

a. College Vans

College vans cost \$30 a day, regardless of gas mileage. Students must use college-provided gas cards to fuel these vehicles. The TFC will not reimburse students if they use personal funds for College Vans. To reserve a van fill out the Facilities Vehicle Request form.

Two van-certified drivers are required to take out any college vehicle. The TFC requires that the names of the van-certified drivers be listed on the budget request form. The TFC strongly encourages that at least one backup van-certified driver be listed as well. Requests for emergency travel costs that emerge as a result of van-certified driver cancellations will be approved only in extenuating circumstances.

You must reserve a Van before receiving TFC funding to ensure its availability, with the option of canceling it later if funding is not granted.

b. Student Vehicles

Students may receive gas compensation at a rate of \$0.25 per mile. Note that this is not a reimbursement and that funding requests must be made prior to trips. The rate for student vehicles is subject to gas market prices and will be adjusted accordingly by the Facilities Office and the TFC. The TFC will not pay for damages to personal vehicles.

c. Local Travel

If traveling locally, please use Brunswick Taxi, the Brunswick Explorer, MetroBreez, or the Bowdoin Shuttle. College Vans will not be funded for travel in Brunswick.

2. Parking & Toll Charges

The TFC may cover the cost of parking if no free option is available. The TFC may also cover the cost of toll charges as necessary.

3. Other Forms of Travel

Plane tickets will only be funded for postseason play, and students should find regional alternatives to games/conferences that require flying. Clubs that are requesting airline tickets

should do so at least a month in advance, preferably as early as possible. Exceptions to the month rule can be made for postseason tournaments at the TFC's discretion.

Bus or train tickets booked without ample time to the date of departure, thus incurring a price premium, may not receive funding from the TFC. However, the TFC is willing to work with clubs if transportation costs increase unexpectedly after a budget allocation.

4. Hotels & Accommodation

If possible, events should always be scheduled to allow you to return to Bowdoin for the night and prevent the need for lodging. If this is not possible, please explore all cost-free options for lodging with family, friends, or alumni. If necessary, the TFC may fund the most cost-effective lodging for students when they are traveling to or from events (only in extenuating circumstances will the \$200 guideline be exceeded). Hotels must be requested at least two weeks in advance, but preferably as early as possible.

Airbnb accommodation will only be considered if approved in advance by the Director of Student Activities, Nate Hintze. Furthermore, the total cost of Airbnb must be less than the guideline amount for hotel funding or less than the cheapest available hotels. Club leaders should check with the Airbnb host in advance of the TFC meeting whether groups of college students are permitted to rent the accommodation.

\$200 per room per night (including tax and fees), assuming four people per room.

VI. Conferences, Tournaments, and Retreats

Students looking to go on retreats and attend conferences paid for by the TFC may not miss class to do so. In extenuating circumstances, club leaders may consult their faculty advisor, who may represent their cause to the rest of the faculty.

The TFC will not fund events that occur over break (when classes are not in session and housing is closed). Exceptions include the weekend of Fall Break, the weekends at the start and end of Spring Break, and the last weekend of Winter Break. Exceptions may be made, at the TFC's discretion, for a tournament as part of a club's league. In such an instance, the event will be funded following regular guidelines – transport leaving and returning to Bowdoin, meals only when the board plan is active, cost-effective hotels, etc.

Under-represented student groups should contact their affiliated offices (e.g. Office of Multicultural Life, Office of Religious & Spiritual Life, and SWAG Center) for conferences, as these offices are now responsible for such funding.

1. Club Bonding Activities

Each non-competitive club with under 175 registered members can access up to \$500 per semester for club bonding on or off campus. Non-competitive clubs with more than 175 registered members can access up to \$600 per semester for club bonding. It is up to the Club Leaders to spend the bonding activity funds on reasonably-priced transportation, cooking events, crafts, tickets, or other general bonding events. Club Bonding funds should be used for the benefit of the majority of the club, and not for unnecessarily exclusive events. At any time a club can ask the TFC how much money is left in their club bonding funds.

2. Overnight Retreats

For non-competitive clubs that do not travel off-campus overnight, the TFC may fund one Banquet or one Retreat per academic year. For Banquets, see Section IV. 5. A retreat is defined as an off-campus overnight club-bonding event only for club members, related to the club's mission. The TFC will not fund hotels for retreats. Retreats are usually held at the BOC Cabin or the Coastal Studies Center. The TFC may fund vans and board transfers. Other costs may be covered at the discretion of the TFC.

3. Non-Competitive Conferences

The TFC may fund no more than \$500 total for registration/entrance fees for no more than 12 club members to attend one conference that is essential to the club mission per academic year. The TFC can pay for registration, lodging, and travel (not flights). The TFC will not fund conferences that solely benefit participants (i.e. through networking). Conferences of a solely academic nature will not be funded by the TFC and students are encouraged to discuss funding with academic departments or their dean.

Up to \$500 for registration fees for up to 12 club members

4. Competitive Conferences

Games or tournaments required for participation in the team's league will be prioritized over extra league games or tournaments. The TFC can pay for registration, lodging, and travel (not flights). The TFC will make funding decisions relating to other components of the budget in line with current guidelines.

The TFC will fund 1 competitive scrimmage a semester. Scrimmages must be reasonably close day-trips. The TFC will not fund hotels for scrimmages. The TFC will fund scrimmages at their discretion, considering the number of total events that the club goes to per year. The TFC will fund Board Transfers and a \$30 meal supplement for scrimmages.

5. Hosting Conferences

The registration fees charged to non-Bowdoin teams should cover the costs associated with hosting a conference for non-Bowdoin teams. The TFC may fund the cost of food for necessary campus guests (e.g. judges, referees, etc.) who are essential to the success of the conferences.

\$11 per necessary campus guest per meal, up to a maximum of \$220

6. Club Sports' Seasons

The TFC will only fund club sports within their season as specified by the Chair of Student Organizations at the time of their charter.

VII. Equipment and Gear

The TFC will not fund gear that is already freely available for students to use on campus (e.g. in the Buck Fitness Center, Buck 3rd Floor Facilities). Furthermore, the TFC cannot fund gear to be kept by individual club members, gear to be freely distributed to the campus community or public, or any type of 'giveaways'. In the event of a global pandemic, the president of the BSG retains the right to lift these restrictions on the funds allocated to the BSG in order to increase student engagement.

1. Justification

a. Uniforms necessary to compete/perform

Uniforms are defined as apparel necessary for competitive and performance groups to compete or perform. The TFC may fund reasonably priced uniforms necessary to compete/perform for all competitive groups and theater groups, regardless of whether they are reusable by multiple members.

b. Uniforms essential to the SOOC club mission

The TFC may fund reasonably priced uniforms for groups including non-theater performance groups (i.e. Dance Groups) that are reusable by multiple members of the club for generally two years.

c. Gear essential to the SOOC club mission

Club gear is any item that is the property of the club and is essential to the club mission that is not a uniform as described above. The TFC may fund reasonably priced gear that is reusable by multiple members of the club for generally two years. Gear may only be purchased for current competing/performing members of the organization, and will be funded at the discretion of the TFC.

When food is an integral part of a club's mission, food/ingredients will be considered as gear and may be funded at the discretion of the TFC.

2. Storage & Usage Policy

When requesting funding for equipment, please organize suitable storage for the equipment in advance. This should clarify where the equipment will be kept and if it will be available to all student organizations or solely to your organization. Keeping gear in personal residences is not acceptable for club storage. If you need assistance finding storage space, please contact the SOOC Chair, Vincent Chen (vchen@bowdoin.edu).

3. Liability & Accountability

Club leaders are financially responsible for any gear funded by the TFC. Gear lost or stolen as a result of leadership oversight may not be replaced the following year, and it is the responsibility of all club members to ensure this does not occur. If rented equipment is lost or damaged, the cost must be covered by the responsible club member(s) before further TFC funding can be approved for the club. The TFC has the right to not fund gear that was requested and allocated the previous year but never purchased by the club.

4. Organization Paraphernalia (T-Shirts, Sweatshirts, etc.)

The TFC does not fund nonessential team clothing, but it may provide loans to organizations for these items. If given a loan, you must sign a contract with the Student Activities Office, requiring the club to repay the loan by the semester's end. Items must be sold at cost, without profit.

An exception will be made for paraphernalia such as stickers, badges, and buttons that either advertise an important service for the campus community or act as part of a wider awareness campaign (not a single event or program).

\$100 for stickers per semester

VIII. Publications and Media

1. Licensing & Registration Costs

The TFC will fund licensing and registration fees with the understanding that the publication should consist of work contributed by current Bowdoin students.

2. Distribution

The TFC may fund printing and distribution costs for publications that are distributed on the Bowdoin campus only. The number of copies printed will be determined on a case-by-case basis.

3. Printing

The TFC may fund publications that are essential to the club mission. The number of editions may be maximized by considering multiple printing companies, and adjusting page numbers, paper type, binding style, and color. To have access to publication printing funds a club must come into the TFC and justify why their publication is necessary, once a club has done this they do not need to return.

\$2750 per year for all editions

4. Websites & Software

Clubs should work with IT Services to set up a WordPress website at no cost. Similarly, clubs should inquire about software downloads that are available for college and personal computers. In exceptional circumstances, the TFC may fund website maintenance costs and computer software (either one package available to all club members or individual packages for club leaders only). The TFC will not fund additional Cloud storage as Bowdoin Outlook services provide up to 1 terabyte of hard drive storage per student. The TFC will not fund CanvaPro or other design software subscriptions, as all students have access to Adobe Express through their Bowdoin accounts.

IX. Expert Instruction and Coaches

The TFC reserves the right to request attendance sheets from practices/sessions with instruction in order to determine if the number of participants justifies the expense of the coach or expert instruction.

1. Weekly Instruction

If the nature of the sport or activity and the number of participants justifies the expense, the TFC may fund a coach or instructor. Each group may spend up to \$100 per week on instruction costs. If necessary, Assistant Coaches may be paid up to \$50 per week. If the coach is classified as a Bowdoin Casual Employee, the hourly wage is \$17.50 per hour, which cannot be changed. Coaching will be provided for the duration of the team's season, as well as up to three weeks of preseason. Instructors or coaches for non-seasonal sports will be funded for up to 10 weeks of instruction. For specialty clubs, if the coaching fee exceeds this amount and the club has demonstrated a good faith effort in reducing its coaching fee, the TFC will consider allocating higher coaching fees.

Up to \$100 per week (plus up to \$50 per week for the assistant instructor), for a maximum of 10 weeks.

2. Workshops & Non-Weekly Instruction

The TFC may fund non-weekly instruction if the instructor fees are reasonable and the instruction is related to the club mission.

Typically \$100 per hour

X. General Policies

1. TFC Funding Guidelines

The TFC guidelines are not fixed rules, and all values listed are approximations. **The TFC withholds the right to make funding decisions at its discretion.**

2. SOOC Guidelines Policy

If a club is in violation of the SOOC Guidelines, the TFC has the right to withhold funding until the club has settled the issue with the SOOC.

3. General Funding Policy

The TFC can only allocate money for Bowdoin students and faculty, with the exception of speakers, referees, and coaches.

4. TFC Voting Policy

The six voting members of the TFC are the four Class Council Treasurers and the two At-Large Representatives. The Chair of the Treasury only votes as a tiebreak. If an TFC member is a SOOC-listed club leader, they must abstain from votes pertaining to budgets for their club (they may participate in deliberation, but must make it known to the TFC that they are a SOOC-listed club leader beforehand). The deliberations of the TFC are private due to the unique nature of committee members' role as students voting on student requests.

5. Funding Requests & Reimbursements

All budget requests must be submitted to the TFC at least two TFC meetings in advance of an event. Itemized requests must be as detailed as possible (**please provide links to costs**). All funds must be requested and approved by the TFC before being spent. **The TFC cannot fund reimbursements.** The TFC cannot reimburse the use of printing credits or PolarPoints.

6. Financial Aid

The purpose of the TFC budget is to fund clubs for the benefit of students, not to fund students directly. The TFC budget cannot be used as financial aid for individual students, however, the TFC acknowledges that there are unique situations where students need to have access to

financial aid for club purposes. In this instance, the student or club leaders should speak with the Director of Student Activities.

7. Student-Provided Services

Current students may not be paid for services provided to student clubs using TFC funds. This includes but is not limited to: mechanics, DJs, programmers, and performers. The Bowdoin Student Government is exempt from this rule. Some clubs on Fixed Budgets may be granted exemption during the request process.

8. Fixed Budgets

Fixed budgets that receive an allocation decision in the spring may not return to the TFC in the following fall and spring to renegotiate a similarly requested fixed budget. Fixed budgets that require more funding for things unknown during the spring may come to the TFC to ask for additional funds; however, it is up to the TFC's ultimate discretion to decide whether to fund. The TFC will audit all fixed budgets at the end of the fall semester.

The Bowdoin Student Government, which may return to the TFC throughout the year to request funding for new initiatives and projects, is exempt from this rule.

9. Fundraising & Donations

See the Bowdoin Code of Community Standards and the Student Activities Club Leaders Manual for Fundraising Policies and Guidelines. The TFC does not fund prizes or auction items, and it cannot allocate funds that are going directly to charitable organizations. If the Director of Student Activities approves a fundraising event (for a charitable cause or organization), the TFC may fund necessary materials for the event if the amount raised will significantly exceed the TFC allocation.

10. Membership Fees

No club can charge formal or informal membership fees to club members. This means there cannot be an individual financial cost for any Bowdoin student in order for them to be full members of that club.

11. Co-sponsorships:

In order to receive funding for a co-sponsorship, all parties involved must be an integral part of the planning process of the event (choosing the speaker/performer, making posters, coordinating logistics, etc.). The event must be relevant to the mission of all co-sponsors. Co-sponsors must come into the TFC together to present budgets for a joint event, or the TFC will withhold funding.

12. Non-TFC Funding:

The TFC asks that all sources of outside funding (i.e. academic departments, SWAG, Student Center for Multicultural Life, etc.) be finalized and given to the TFC prior to the committee's deliberations. If outside funding sources are not finalized at that time, a decision on the request will be delayed.

13. Budget Request Submission Format

The TFC will postpone a budget request if the request is not submitted through proper formatting (**Excel**) through CampusGroups by midnight on the Friday prior to the next meeting. Itemized lists must be included in the request to avoid delays in funding. Links for items purchased online must be included when possible.

14. Virtual TFC Policy

If the college is in a state of remote learning, the TFC will continue to fund student clubs and organizations as it would if the school were not in a state of remote learning. All budget requests made while in a state of remote learning must be in accordance with the TFC Guidelines. As always, the TFC withholds the right to make funding decisions at its discretion.

15. Personal residences

The TFC is unable to provide funding for events in personal residences, whether they are club-only or public events. Individual rooms, apartments, or off-campus housing all fall under personal residences. Clubs must hold events in spaces bookable through CampusGroups, or public spaces in college houses/residence halls.

16. Club Categorizations

Charter B Clubs, as defined by the Student Organizations Oversight Committee, will be able to reserve rooms and can only request funding for their snack budget, vans, and posters. Club membership totals are determined using your organization's CampusGroups page. Clubs **must** keep their member totals up to date.

17. Club Donations

If clubs have substantial funds in their club accounts (excluding funds raised through the GoUBears Challenge) the TFC may not fund any budget requests unless there is a sufficient reason why club funds cannot be used.
